Dubai, United Arab Emirates

Industry

Oil and Gas

# Energy forecasting is easy. It's getting it right that's difficult.

That is why Routine Co Trading is meeting the expectations of all distributors in the regions. Our aim is to ensure the best supply, maintaining the right standards and procedures. We value our customers' time and provide them with unsanctioned fuel sources.

# We want to be best Oil and Gas Industry

Cooperation with Refineries and end customers requires appropriate coordination. This is why we do our due diligence. We work with Top Tier1 banks and want both Refineries and customers to contract fuels to the highest standards.

**Dr. Bernd  
Merle**

General Manager

# Our Services

We supply worldwide using relationships and collaborations with Refineries, thus providing the following refinery products:

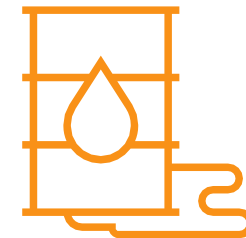

## Diesel

All diesel refinery commodities.
